Water Resource Management

Rock Leaf Water Environmental

Watershed Management
- ◊ Site Assessments
- ◊ Stormwater Management
- ◊ Land Use Analysis

Stormwater Compliance
- ◊ BMP Effectiveness Monitoring
- ◊ BMP Inspection & Maintenance
- ◊ Stormwater Reuse
- ◊ Illicit Discharge Monitoring

Mapping
- ◊ Bathymetric Mapping
- ◊ Aquatic Habitat Mapping
- ◊ ArcGIS Mapping

Water Monitoring
- ◊ Water sample and onsite data collection from streams, lakes & rivers
- ◊ Groundwater well monitoring
- ◊ Lab analysis coordination
- ◊ Continuous wetland water level monitoring
- ◊ Stream level & flow monitoring
- ◊ Creation of monitoring reports, graphics & maps
- ◊ Remote monitoring

WOMEN OWNED®

SBA U.S. Small Business Administration

"You can't monitor what you don't measure."

Brian Jastram
Senior Water Scientist

📞 (833) 762-5532 ext 706
✉ Brian.Jastram@RockLeafWater.com

Environmental Science B.S.

Brian has over 18 years of experience in water quality monitoring and instrumentation. He is skilled in building and operating remote telemetry systems, data analysis and management, automated stormwater monitoring, and active monitoring techniques that provide up-to-date water quality information. Brian also has experience identifying and maintaining BMP effectiveness. Brian's work has contributed essential data to Minnesota TMDL studies.

Nate Gillett
Water Resources Scientist

📞 (833) 762-5532
✉ Nate.Gillett@RockLeafWater.com

Water Resources B.S., Watershed Science A.S.

Nate has a broad background in water quality, water sampling, soil sampling and wetland delineation. Nate is a BWSR Wetland Professional In-Training, Asbestos Inspector, and Pesticide Applicator. Nate has used his skills performing wetland restorations and erosion control, as well as identifying and managing aquatic invasive species.

All encompassing insurance package, including professional & pollution liability
